AWARD CERTIFICATE

Production heavy corrosion protection of valves and fittings

The Quality Association for Heavy Duty Corrosion Protection of Valves and Fittings by Powder Coating e.V. (GSK) awards on the basis of the quality committee present test report of the externally supervising body and the resolution of the board of GSK for the coating procedure for the production of heavy corrosion protection for valves and fittings and for the product families mentioned in the appendix, the company:

**AVK Polska Sp. z o.o.
Jakubowska 1, 62-045 Pniewy**

the right to use the quality mark with the performance-related addition RAL-GZ 662/2.

The quality mark is certified by the Institute for Quality Assurance and Labelling e.V. (RAL) and protected by registration at the German Patent and Trademark Office as a collective trademark (EU trademark 009300138).

The products, which were manufactured after the conditions of the quality and test regulations (GPB) of the GSK, are designated as product families by the enterprise of the office, and in the appendix and on the GSK homepage (www.gsk-online.de) listed. They receive the following marking:

This certificate is valid until 31st Dec. 2021

Schwäbisch Gmünd, the 3rd December 2020

L. Walther
Managing Director

Not valid without annex

The product families must be listed in the certificate. The user of the quality mark informs GSK about the inclusion of new products or changes to existing products in the product approval, and GSK in turn informs the testing institutes. The current list of product families manufactured in GSK quality can be found on the GSK website (www.gsk-online.de).
